

The ideal flooring solution for shops, schools and offices

Ecotile Commercial Flooring

Ecotile is an attractive and hard-wearing interlocking floor tile that has been designed to allow quick and simple installation without the need for gluing.

This makes it ideal for retail outlets, schools, offices or anywhere site access time is limited and disruption need to be kept to a minimum.

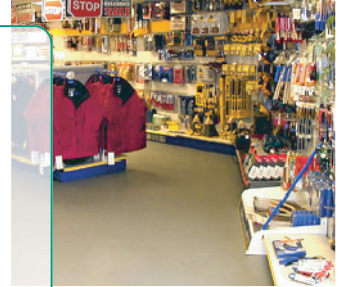

Available in eight primary colours and two surface textures, Ecotile will create a smart low maintenance floor finish that has a significantly longer life span than conventional vinyl or carpet alternatives.

Applications:

- Flooring
- Shops Schools & Colleges
- Passenger Terminals Exhibitions & Display
- Offices
- Public Buildings Sports & Leisure Centres
- Point of Sale Displays
